NOTICE OF CHAPTER 7 BANKRUPTCY AUCTION: Assets of Free Speech Systems, LLC Including Intellectual Properties of Infowars and Infowarsstore.com

Bankruptcy Auction of Free Speech Systems' Assets Including Intellectual Properties of Infowars and Infowarsstore.com

Offering: Sealed Bid Auction of Intellectual Property of Free Speech Systems, including i) Infowars Production Rights, Archival Production Library, Social Media Accounts and, optionally, its Production Equipment, ii) Infowarsstore.com E-commerce Site and Inventory; iii) Over 400 Domain Names.

Assets may be bid on individually or as a package by **November 8, 2024**, with an overbid Auction scheduled for **November 13**. Interested parties may choose to negotiate lease terms with the existing landlord, seek to re-hire employees, and include production equipment in their bid for a turnkey purchase of the production operation. The Infowars show and the Infowarsstore.com e-commerce site continue to operate, and will likely continue up until the auction.

Infowars Production Assets will include the company's archival library, future production rights, the Infowars trademark, all branding elements, numerous domain names including infowars.com and banned.video, as well as its social media and podcast accounts. The company's studio broadcast and production equipment can be included with the IP purchase (but will not be offered separately from a

bid for IP assets).

Infowarsstore.com will include the company's e-commerce website, numerous trademarks including Infowars Life, Bodease, Survival Shield X-2 and others, on-hand inventory, vendor contacts, infowarsstore.com domain and numerous others. Infowarsstore.com shows historic sales of over 35M in 2023 (information based on e-commerce data and not verified by auctioneer or Trustee, and provides no guarantee or warranty of future sales).

Initial Bids Due: **November 8 at 2pm CST**; Auction: **November 13**
